—Mr. Alexander Young, of Grand River township, called on us this morning, and gave the press fund a \$1 lift.

—Frank Porter, Esq., who is now residing at Princeton, Mo., came down Thursday night. He was here attending circuit court.

—An indiscreet man is like an unsealed letter, everybody can read him, but the wise man is careful in time what in time he will surely need—a bottle of Dr. Bull's Cough Syrup.

—Dick Johnson, Esq., one of the types on the "Constitution" office, left for Sedalia, Mo., Tuesday night, on a visit to his brother.

—Mrs. Lorenz and children left for Ohio, last week, where they will reside in the future. Mr. Lorenz has been there for some time.

—Mr. E. L. Pottle and family moved in from the country, Tuesday, and took possession of the property recently purchased by Mr. Pottle.

—It is rumored that Mr. John Gudgeon and family, who removed to West Plains, Mo., some time ago, will return to this city in a short time.

—Mr. J. H. Morgan bought 320 acres of land in Blue Mount township, this week, of D. J. Oakley, Esq., of Detroit, Michigan. Price \$7,500.

—Mr. Chastain Pearson, of Grand River township, died, Tuesday, February 5th, of pneumonia. His wife is seriously ill and has been for some time.

—Rev. J. A. Beagle, pastor of the M. E. Church, South, in this city, has been holding a series of meetings for some days, and has met with marked success.

—Little Virginia, daughter of Geo. W. Warder, Esq., has been very low for some days with scarlet fever, but we understand she is now in a fair way to recover.

—J. F. Johnson, Esq., traded his meat market and grocery store, on the South Side, to John Mann, Esq., Tuesday, for some property near the Catholic Church.

—Mr. W. L. Shannon, of Grand River township, on Friday, left with his \$3 for the press fund—\$1.50 on his own paper and \$1.50 sent by his neighbor, Mr. J. A. Wimmer.

—Mr. P. H. Minor bought yesterday, of Mr. Joshua Hudson, of Colorado, the house and lot on Elm street, just south of Mr. A. McVey's residence. Price \$100.

—J. H. H. Kineaid, Esq., sold, a few days ago, his farm, of 110 acres in Blue Mount township, to a gentleman from Quincy, Ill., by the name of Carr. Price \$11,000.

—EKLATTA—In an item in D. W. Wilson's communication, last week, we made him say "Mrs. Rebecca A. Jones," whereas her name was Mrs. Rachel A. Jones.

—Mr. A. F. Somerville, residing east of this city, called and contributed to the press fund \$1.50, paying his paper up to April 1885, having previously paid up to next April.

—Mr. J. Boucher sold his farm, containing 160 acres of land in Monroe township, last week, to J. Lee, Esq., for \$2,600. We understand Mr. Boucher is going to Nebraska.

—A young man named Cox had his leg broken, last Saturday, near the brewery, while felling a tree. A limb of the falling tree struck him on the leg between the knee and ankle.

—I am hindered in other business and will be in my dental office in person till April 1st. Now, if you want advantage of warranted work at surprising prices, waste no time. 254 J. W. GREENE.

—Eld. C. Monroe arrived here from Petersburg, Ill., last week, and preached at the Christian Church, Sunday morning and evening, for which church he has been engaged as pastor for the ensuing year.

—I have a small lot of well selected piece goods. I still keep samples representing \$10,000 to select from. I will give satisfaction. Call on me.

T. C. HOGAN, Tailor.

—John H. Bowen, Esq., of the Central Missouriian, Glasgow, Mo., has severed his connection with that paper. John resided in this city a short time in 1876, and worked in the Constitution office.

—Judge Slagle foreman of the Grand Jury, made us a call, Saturday, and we did not know but what he had an indictment against us for running the best paper in the county; our fears were allayed when he deposited \$1.50 for the press fund.

—Mr. G. P. Pepper, of this city, has handed us a copy of the "Reporter and Post," published at Danbury, N. C., by his relatives, Pepper & Sons. The paper has a healthy appearance and seems to be well patronized. He sends running the paper, they own and run a paying mica mine, and are tobacco dealers.

—Hall's Vegetable Sicilian Hair Renewer imparts a fine gloss and freshness to the hair, and is highly recommended by physicians, clergymen and scientists, as a preparation accomplishing wonderful results. It is a certain remedy for removing dandruff, making the scalp white and clean, and restoring gray hair to its youthful color. 25

—Remember the press fund means money paid by subscribers on their paper. We have set apart all money received on subscriptions to the paper as a press fund with which to buy a new, fast, power newspaper press. The press will cost a good big sum and we would like to have every subscriber give us a lift. Come in or send in and take an interest in the press.

—The Lord Mayor of London was only a porter in a warehouse, but he persevered in the face of all opposition and rose rapidly. It is only persistence and merit that has made Dr. Bull's Cough Syrup the greatest family remedy for coughs and colds now offered to the suffering public. 25

CHAM RIDGE, Feb. 4, 1884.

Everything being favorable, and the children all asleep, at 10 o'clock, we will watch a few minutes before closing time to send you the news.

Everything is quiet since the thaw, as the ice is too muddy to allow much moving around.

Mr. Arthur Mansel returned a few days since from a flying visit to Iowa.

Mr. Charles Patterson was seriously injured a few days ago, by having his horse fall, while riding over frozen ground. We understand that his injuries are not dangerous and that he is improving so fast as to be expected.

Miss Maggie Boushert, a charming young lady of Norborne, Carroll county, is visiting the family of Mr. Godfrey Knebel. We understand that she will remain all winter and the young people are delighted to welcome so pleasant a addition to their little circle.

There was a social hop at the residence of Mr. Knebel on the night of Monday the 28th. A report that would have done credit to President Arthur's table was served at eleven o'clock, and quickly dispatched, when festivities were continued until one o'clock, when everybody went home tired, but happy.

Miss Effie Burdette has gone to Carroll county, on a short visit to friends.

Mr. Editor, we have just returned from a visit to Sister Samantha, over in Medicine Hat, so we will send you the news from over there.

A general meeting has been convened at the Mount Zion church, by the pastor of the M. E. Church, South.

Miss Edie and Mr. Robert Wallace will start for Glasgow next week, to attend school.

Mr. William Wallace started for Texas a few days since on a visit to his son.

Mr. George Phillips will start for Lake View, N. M., Monday, next. His many friends here will be sorry to see him, but all join in wishing him a pleasant journey and profitable trip.

Mr. Robert Wallace returned, a few days ago, from Browning, Minn. county, where he has just closed a very successful term of school.

Thursdays at the Manning school are closed on last Friday, very pleasantly. The school has been under the care of Miss Edie Wallace, and has been all that could be desired, by both parent and pupil.

Well, Mr. Editor, as usual we will have to leave before we are through, the old man is wrestling with a paper editor and needs help. Yours truly,

At St. Bernice.
